

# Project ♥ Linus

North & Central Chicagoland, IL Chapter

Project Linus is a national nonprofit organization whose mission is twofold: We donate handmade blankets to critically ill or traumatized children. Secondly, we provide a service opportunity to members of our community who want to comfort children.

Our chapter of Project Linus donates about 10,000 blankets annually to children in the Chicagoland area who are served by 20 hospitals and over 20 agencies.

## HOW CAN YOU HELP?

### **MAKE A BLANKET**

We accept blankets that are knitted, crocheted, quilts and tied fleece. The blankets must be handmade, made with new materials. Each edge of the blanket must be longer than 36 inches.

### **ATTEND AN EVENT**

Attend one of our many monthly events where our blanketeers gather to create blankets together and get them ready to be delivered to the children they will comfort. See our website for the schedule.
