MULTIPLE CHOICE!

For each block you will need:

- Four (4) 4" x 6 1/2" rectangles of a print or tone-on-tone fabric
- Four (4) 4" x 6 1/2" rectangles of a contrasting print of tone-on-tone fabric
- 1 - 6 1/2" square of a novelty fabric

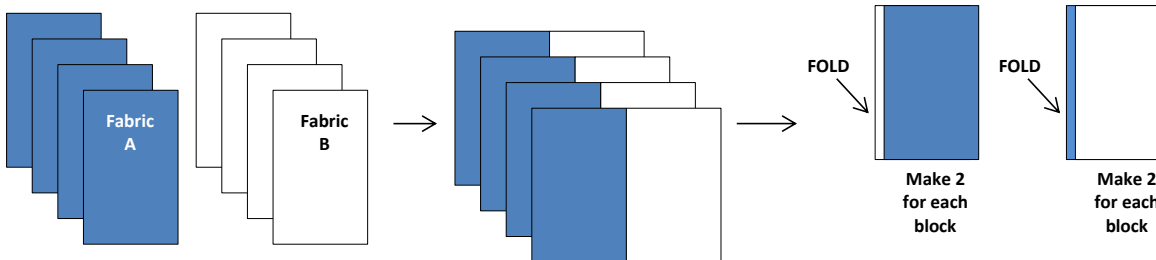

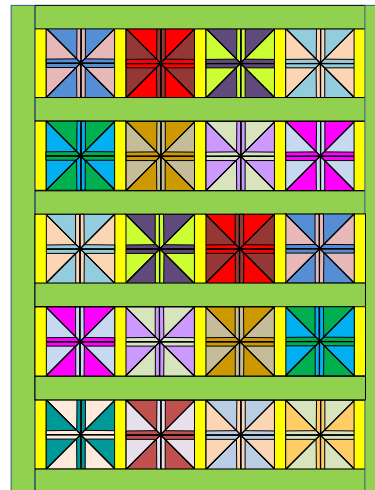

To create the quilt pictured you will need:

- 1/3 yard sashing fabric: Cut 25 - 2" x 6 1/2" strips between blocks & at beginning and end of rows.
- 1 yard vertical sashing and borders: Cut 10 - 3 1/2" x WOF strips cut to the measured length of a row
One row = Four (4) 6 1/2" finished squares plus five (5) - 1 1/2" sashing strips between blocks and at the ends of the row.

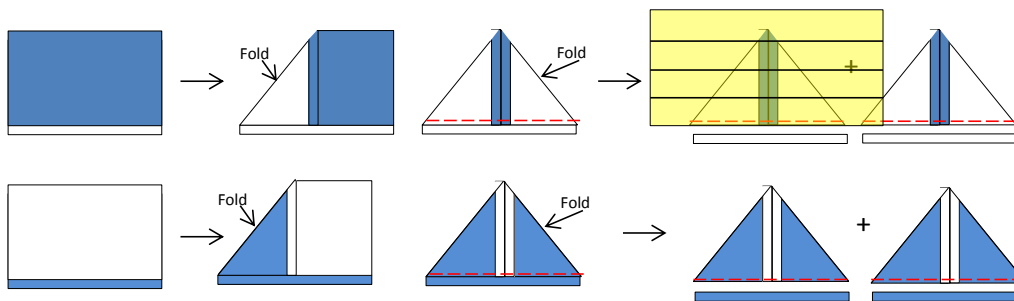

About 1 1/2 yards each of batting and backing: Cut to **Finished quilt size: 37" x 48"**
1/2 yard binding

To make a block:

1. You will make four (4) of these units:
 - a. Right sides together, sew one (1) 4" x 6 1/2" Fabric A rectangle (which will be on the outside) to a contrasting 4" x 6 1/2" Fabric B rectangle (which will be on the inside) along the long edge using a 1/8" seam
 - b. Using 2 of the fabric sets, fold wrong sides together and press, leaving 1/8" of Fabric B showing above the fold.
 - c. Using the other 2 fabric sets, fold wrong sides together and press, leaving 1/8" of Fabric A showing above the fold.

- d. Press the four sets to a point as pictured so that you will have two opposite "Prairie Points" per block.
- e. Sew a basting strip along the bottom of each "Prairie Point" (about 1/8" from edge) to stabilize. (Red Line).
- f. Measure 3 1/4" from top (tip) of Prairie Point and trim off excess along the bottom. Prairie Points should measure 3 1/4" x 6 1/2".

- g. To make a block, cut a 6 1/2" square from a novelty fabric. Place the four prairie points on top of the right side of the 6 1/2" square as shown and baste 1/8" around the perimeter of the square to secure the prairie points.
- h. Add 2" strips (sashing) between blocks and at the beginning and end of the rows. Then add 3 1/2" strips (sashing) between rows and at the top and bottom of the quilt.
- i. Finally add 3 1/2" strips to the vertical sides of the quilt top.
- j. Add backing & batting & quilt as desired. Bind. **Finished quilt size: 37" x 48"**
