

Hugs Edge

Note:

Every hole should have been used twice, causing an X pattern to appear.

You may need to make your stitches a bit looser than normal when going to the left or add a chain.

This works great as a single row using two strands of complementary colors of baby or sport weight yarn.

Row 1: join in any hole other than a corner. Ch 1. Do one sc in the hole to the right of the starting hole. Next do one single crochet in the hole to the left of the starting hole. Now do one sc in the starting hole.

* Going left, skip over the next hole and do one sc. Going right, do one single crochet in the closest hole.

Repeat to corner hole. Do up to 2 extra sc in corner hole, adjusting as needed to make the turn without stretching the yarn too far.

Continue from * around the blanket. Join and finish off. Additional rows can be added as desired.

Example of which hole to use:

9 8 7 6 5 4 3 2 1
hole hole hole hole hole hole hole hole hole

join in hole 2 and chain 1, one sc in hole 1, one sc in hole

next - one sc in hole 2, one sc in hole 4

next - one sc in hole 3, one sc in hole 5

next - one sc in hole 4, one sc in hole 6

next - one sc in hole 5, one sc in hole 7

You will be going back one then forward two.
