

**What is a .....**

## **Sit 'n Stitch event**

Bring your current knit or crochet blanket project to work on. Enjoy time with fellow blanketeers while sharing patterns and ideas. Show & tell of donated blankets is always fun. A fleece exchange is available at many events. Check with the hostess to see if she will be bringing prepped fleece to exchange. **Note:** if this is also a fundraiser day, purchasing food is not required.

### **special instructions for Fields and Fences**

This is located on the corner of Hunt Club and Stearns School Roads in Gurnee. Enter from Hunt Club and drive around to the rear of the large white barn. Enter through the green door in the middle. Our gathering space is immediately inside. Please bring your own chair.

## **Sit 'n Sew event**

Join us for a morning of sewing quilt tops, finishing projects and starting new ones. We usually have quilt kits to work on and just the right fabric to add to your quilt or to back a quilt top. Bring your own sewing machine or let us know if you need one. Knitters and Crocheters are welcome to share the space too! Reservations are required.

### **special instructions for Gloria Dei Church**

As the church doors remain locked during the day, please request Karen's cell phone number when you make your reservation. You can call or text her to open the doors. Parking is available in both the front and back lots.

## **Fundraiser**

These restaurants generously donate a percentage of your food purchase to our chapter. These events run all day long so come anytime. When you place your order, tell them you are supporting the Project Linus fundraiser. You can eat in, drive through, or carry out.

## **Blanket Day**

Blanket Day is a working day to get blankets ready to be delivered to the children. We triage, label, pin check and bag hundreds of blankets. There is also time to spend with fellow blanketeers while working on your current blanket project. Reservations are required.

## **ZOOM meeting**

We have two chapter Zoom events. Join us for TLC to talk with other blanketeers about a wide range of topics while you work on a blanket from the comfort of your own living room. We also host a Chapter Book Club where blanketeers read a variety of books and discuss them via Zoom. You can join us even if you haven't read the book! Contact Karen if you want to receive the list of books or Zoom invitations to either of these events

**Always bring your finished blankets to any in person event!**
